Students or members of the staff can talk to their Head Teacher or Deans or Class Teacher or Members of this Committee if they have any grievance of any harassment at any time. The teachers thus approached will take suitable action immediately in consultation with the Chairperson.

We want our school to be absolutely free of this menace that has spread its tentacles all over. We will have zero-tolerance to any such incident. The recent circular sent to parents is yet another indication of our resolve to ensure that our children grow up in a healthy environment without fear of any kind of harassment-emotional, psychological or physical, not only in the School, but also wherever they are, including their homes.
